

Pet Policy

Black River Lodge | Ironwood, MI

We accept companion dogs of registered guests in our guest rooms for \$10 per dog, per night. Service animals are always welcome at no charge.

We do not have breed or size restrictions, however, your dog must be well mannered and potty trained. Dogs must be up to date on shots and any that pose a health or safety risk to us or other animals are not permitted.

If your dog has severe anxiety or any aggression problems, please find alternate arrangements.

No Puppy pads or indoor pottyng of any kind. If your dog, of any age, requires the use of puppy pads, or is not potty trained, please find alternate accommodations.

Puppies: While we love 'em, if they are not potty trained or past the chewing stage, please seek alternate arrangements.

All dogs must be declared upon arrival. We are a small operation, please be honest. If we find an undeclared pet in the room, the pet fees will be doubled and charged to the credit card on file without notice.

Please pick up immediately after your dog while on grounds. Bring waste bags with you, however, we do have some extra located near the main entrance if you run out.

If unavoidable circumstances require a pet to remain unattended in a room while the owner is offsite, the pet must be secured in a crate or travel carrier. For the safety of us and your pet, Housekeeping will not be performed in rooms with an unattended dog.

Well behaved, non-aggressive dogs are welcome to relax outside of the room with you, but must be leashed. Dogs are not allowed in the pool facility at any time as this is against health department regulations.

Guests are not allowed to leave any pet in a vehicle on our property overnight or any other time.

Please keep pets off of the furniture; this includes beds, couches and chairs. If absolutely unavoidable, we have a limited amount of rag linens on hand to protect the furniture/comforters or please plan to bring an extra sheet or blanket to protect our assets.

Blankets, towels and linens are rotated throughout the lodge as a part of our normal housekeeping so we ask that these are not used as pet bedding, cleaning or drying rags. We have rags/towels available if you need one...please ask!

STRICTLY ENFORCED: Rooms are inspected before and after every stay. If you choose not to use a cover or keep pets off the furniture, an extra Cleaning Service Fee will apply as extraordinary cleaning efforts will be required. The same will apply if we are required to wash carpeting, pillows, quilts, blankets, or curtains of pet hair or urine after your stay. Typically, this fee is \$55 or more if there has been damage such as stains that will require replacement of the item. If the room needs to be taken out of service or is otherwise unrentable due to needed cleaning or damage, you will be charged for a minimum of two out of service nights at the marketed rate, all replacements, plus upgrade fees of guests that need to be re-accommodated. Carpet washing due to excessive dog odors, accidents or stains will be charged at \$55 plus two out of service nights to allow for proper airing and drying time. Pool and Guestroom towels are not for your pet and you will be charged per item based on replacement cost through our commercial laundry provider.

Our Dog, Copper:

Be aware that we have a happy-go-lucky, six year old Great Dane, Copper, who may be freely running, playing or relaxing around the premises. He is friendly and loves making new 4-legged friends of all sizes! With your approval upon arrival, we may attempt to socialize our dog to yours to avoid any problems. If we find our pets are not as good of "friends" as hoped, we will make every effort to separate our dog from yours, but please understand that the lodge is Copper's home first and foremost.

TERMS & CONDITIONS DISCLAIMER: Terms & Conditions of our pet policy are subject to change at any time, for any reason, as deemed necessary, with or without notice by the Innkeepers/Management.
